Remarks

Welcome to 553 Brigham Drive, where quality construction, thoughtful design, and a relaxed Richmond Hill lifestyle come together on a spacious homesite in the desirable Brigham Lakes community. Situated on a large fenced lot with room for gardening, outdoor entertaining, or simply enjoying the peaceful surroundings, this full-brick home offers the convenience of primarily one-story living with the added flexibility of a private bonus suite upstairs complete with its own full bath.

Inside, you'll find hardwood flooring throughout the main living areas, a formal dining room for hosting gatherings, and a sunroom that provides the perfect place to unwind while overlooking the backyard. The kitchen features real wood cabinetry, stainless steel appliances, and abundant workspace, while a separate laundry room adds everyday convenience.

Recent upgrades include a top-of-the-line HVAC system. The home also features Low-E energy-efficient windows and an architectural shingle roof, providing comfort and peace of mind for years to come. The raised slab foundation, side-entry two-car garage, matching storage building, and covered back porch further enhance the home's functionality and curb appeal.
